# EVENTS

University of Montana

Information Services 406 243-2522

MAY 18-24, 1980

Monday, May 19

"LIBERAL ARTS AND THE WORLD OF WORK," panel discussion on local job sources for persons with liberal arts backgrounds, 7:30 p.m., University of Montana Women's Center 215. Panelists are Jack Burton, personnel officer, Lolo National Forest; Paul Chumrau, president, First Federal Savings and Loan; Vicki Judd, credit manager, Montana Power; Jack Weidenfeller, owner and broker, Fidelity Real Estate; and, from the UM, Albert Borgmann, professor of philosophy; John Hay, associate professor of foreign languages and literatures; Richard McDonough, career counselor, Center for Student Development; and David Curtis, president, Associated Students of UM. For further information call Gretchen Castle, UM Center for Student Development, 243-4711.

BOTANY GRADUATE SEMINAR, "The Effects of Sulfur Fumigation on Ponderosa Pine Reproduction," presented by Pat Meinhardt, 4 p.m., University of Montana Botany Building 307.

FREE FILMS, "Thermal Wilderness," and "By Nature's Rules," sponsored by the Outdoor Resource Center, 1 p.m., University of Montana Center 119.

MATH COLLOQUIUM, "A Hand-Held Calculator--Fire Danger and Fire Behavior," 3 p.m., University of Montana Mathematics Building 109, preceded by coffee at 2:30 in room 206. Robert Burgan, USFS research forester at the Northern Forest Fire Laboratory, will discuss the development of a custom-read only module (CROM) for making fire danger and fire behavior calculations with the hand-held Texas Instruments TI-59 calculator. Highlights of the presentation will be the CROM development process, program capabilities, uses and general structure and demonstration runs.
